

YOUR CAREER JOURNEY

Charting Success: Stage 1/ Year 1

Stage 2 →

Step 7: Summer School

Actions: Attending a University of York summer school in the UK.

Step 6: Academic and Transferable Skills Enhancement with a Focus on Professional Ethics and Organizational Proficiency

Actions: Participate in tutorial classes to improve discussion, presentation, and communication skills while upholding academic integrity and professional ethics. Develop organizational proficiency for effective work management and hone problem-solving skills to tackle academic challenges. Seek pastoral guidance for comprehensive personal and academic development.

Step 4: Stay supported

Actions: Utilizing the College's Counseling resources for mental health and emotional well-being, seeking assistance and fostering a supportive environment.

Step 3: Volunteering and Community Involvement

Actions: Engaging in community service projects, learning about social responsibility, enhancing communication skills.

Step 5: Skill Development and Seminars

Actions: Attending modules and seminars on time management, effective communication, English language and study skills, participating in CV writing and LinkedIn seminars. Understanding communication in the business environment, honing job interview skills, team collaboration, report writing, and presentation skills.

Step 2: Building Campus Engagement

Actions: Joining student clubs, participating in campus events, fostering teamwork and leadership skills.

Step 1: Orientation and Self-Discovery

Actions: Orientation sessions, introduction to campus resources, facilities (Information and Learning Commons (ILC), labs, gym).
