Study for a top class British degree in Thessaloniki

CITY College is a unique international higher education institution, widely recognized throughout the region for its academic excellence. Bridging the UK with South East and Eastern Europe, CITY College offers students the unique opportunity to study for a world-class university degree in their region.

With its main campus located in Thessaloniki, Greece, CITY College consists of four academic departments; the Business Administration & Economics Department,

the Psychology Department, the Computer Science Department and the English Studies Department - and offers a wide range of undergraduate and postgraduate programmes all delivered in English.

Its dynamic international environment comprises highly qualified faculty members and students from more than 60 countries. This cosmopolitan culture adds even more to the overall learning experience in a truly unique international environment.

CITY College is the International Faculty of the University of Sheffield.

Excellence in learning and teaching
Research Strength
A Rich Student Experience
Dynamic International Environment
Civic engagement across the region
A strong alumni community

Pursue your future

At CITY College we prepare our graduates for the world beyond their studies. They make a positive impact on society and change the world for the better. They become knowledgeable individuals,

self-directed learners, active citizens, successful employees and leading entrepreneurs, who are ready to live, work and develop in their countries, in Europe and the world.

Graduates from CITY College are awarded the University of Sheffield degree, a leading university with a global reputation for excellence.

A world-class University degree
Global reputation for excellence
A top research-led University
A Russell Group University

CITY College's accreditation and recognition

ASSOCIATION OF MBAs

The Executive MBA and the postgraduate programmes MSc in Management (Human Resource Management, Logistics and Supply Chain Management) are accredited by the Association of MBAs (AMBA).

ASSOCIATION TO ADVANCE COLLEGIATE SCHOOLS OF BUSINESS

The Business and Management Bachelors and Masters programmes and the Executive MBA at CITY College are accredited by AACSB.

BRITISH COMPUTER SOCIETY (BCS)

Graduates of CITY College may become members of the BCS. The undergraduate (bachelors) programmes of the Computer Science Department have been accredited as meeting the educational requirement for Chartered IT Professional (CITP) registration and partially meeting the educational requirements for Chartered Engineer (CEng) and Chartered Scientist (CSci) registration. The BCS is the industry body for IT professionals, and a Chartered Engineering Institution for Information Technology.

The British Psychological Society

The BSc (Hons) in Psychology offered at CITY College is accredited by the British Psychological Society (BPS).

BRITISH ACCREDITATION COUNCIL

CITY College was first accredited by the British Accreditation Council (BAC) for Independent Further and Higher Education in February 2001.

Chartered Management Institute (CMI)

The Executive MBA programme offered by CITY College is accredited by the Chartered Management Institute (CMI). Graduates of the Executive MBA programme may additionally receive the Level 7 Diploma in Strategic Management and Leadership.

NATIONAL ACADEMIC RECOGNITION INFORMATION CENTRE

The degrees of the University of Sheffield that the CITY College graduates receive are recognised and certified by UK NARIC. UK NARIC is able to confirm that holders of the University of Sheffield degrees who studied at CITY College should be accorded the same professional and academic rights and privileges as holders of any UK degree.

Study opportunities

If studying for a top British university degree is your goal, then at CITY College you will have a unique opportunity to achieve an internationally renowned degree from the University of Sheffield while studying in Greece. At CITY College you can study for Bachelors and Masters.

Today CITY College consists of four academic departments:

- The Business Administration and Economics Department

Why study with us

A degree from one of the world's top Universities

Graduates of CITY College are awarded the University of Sheffield degree while studying in Thessaloniki, Greece.

Career prospects in Europe and the world

Our graduates enjoy employment opportunities across Europe and the whole world! CITY College maintains strong links with the industry, thus keeping its courses, its academic staff and its students updated in vital scientific as well as professional developments.

Innovative teaching – Moving from theory to practice

We aim at keeping up with the industry's latest trends and provide our students with valuable practical skills that will prepare them to embark on a successful career. With our hands-on learning approach, real-life projects and innovative methodologies, we balance theory and practice and provide our students with opportunities to develop specialist knowledge and proficiency.

Excellent academic staff

Our academic staff in their vast majority hold a PhD degree. All academic staff members have extensive teaching and professional experience.

A rich research environment

CITY College is strongly committed to research and heartily encourages and supports the staff to promote their research and publication activities, as well as to supervise the research work of students.

Accredited / recognised by official international bodies

Our quality is verified regularly by external and independent quality assurance bodies. We aim at obtaining accreditation and recognition from prominent international organisations to ensure that all our programmes are offered in accordance with the highest international standards.

Excellent provision for students

We offer a number of support student services, aiming at assisting students to integrate their academic and social life. The Information and Learning Commons (ILC), the Department of Student Affairs and Alumni, the Career, Employability and Enterprise Centre, the English Language Support Unit, the International Office and the Accommodation Office are some of the services provided to support all students.

An exciting student life

CITY College is an exciting place to study in. Student life goes far beyond classrooms, essays and exams. There's so much to do. Student clubs and societies, parties, excursions and numerous events enrich the overall student experience.

A city centre campus in a beautiful Mediterranean city

Our main campus consists of 2 buildings in the centre of Thessaloniki and offers to students access to numerous facilities. Thessaloniki is a 2500-year-old city, rich in history and culture and today is considered one of the best cities to study in! It is a beautiful Mediterranean city built next to the sea, a true university city with more than 80,000 university students and a key junction in South East Europe. It offers all the attractions and advantages of a big city in a friendly and safe environment!

Reasonable cost of studies

With the reasonable cost of living in Thessaloniki, CITY College is an attractive study destination for students from more than 60 different countries. Prospective students may check out for available scholarships.
